5. UPDATES.

If the Software is an upgrade or update to a previous version of the Software, you must possess a valid license

to such previous version in order to use such upgrade or update. All upgrades and updates are provided to you on a license exchange basis. You agree that by using an upgrade or update you voluntarily terminate your right to use any previous version of the Software. As an exception, you may continue to use previous versions of the Software on your Computer after you use the upgrade or update but only to assist you in the transition to the upgrade or update, provided that the upgrade or update and the previous versions are installed on the same computer.
